IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Application of:

Yoshio NAKAO

Serial No. 09/862,437

Group Art Unit: 2626

Confirmation No. 8890

Filed: May 23, 2001

Examiner: Abdelali Serrou

For: APPARATUS FOR READING A PLURALITY OF DOCUMENTS AND A METHOD THEREOF

REPLACEMENT TERMINAL DISCLAIMER

Attention: **BOX AF**
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This Replacement Terminal Disclaimer replaces the Terminal Disclaimer filed on February 1, 2010 regarding U.S. Patent No. 6,963,830.

An Advisory Action mailed March 25, 2010 indicated the previous Terminal Disclaimer was not accepted. The Terminal Disclaimer Informal Checklist in the File Wrapper in the USPTO PAIR system indicates that the previous Terminal Disclaimer lacked the enforceable only during the period of common ownership clause needed to overcome a double patenting Rule 321(c).

The words are corrected herein. As set forth in MPEP 1490 "Once a correct replacement terminal disclaimer is received . . . the second terminal disclaimer replaces the first terminal disclaimer, and the first terminal disclaimer is thus void."

INTEREST AND TITLE OF PERSON MAKING THIS TERMINAL DISCLAIMER

I, Paul W. Bobowiec, represent that I am an attorney of record for this application and am authorized to sign on behalf of the Assignee.

IDENTITY OF ASSIGNEE AND STATEMENT UNDER 37 CFR 3.73(b)

The Assignee is Fujitsu Limited, a corporation organized and existing under the laws of Japan, and having its office and principal place of business at 1-1, Kamikodanaka, 4-chome, Nakahara-ku, Kawasaki-shi, Kanagawa 211-8588.

Pursuant to Rule 3.73(b), Fujitsu Limited states that it is the assignee of the entire right,

title, and interest in the patent application identified above, by virtue of an assignment from the inventor of the patent application identified above. The assignment is recorded on Reel 012360 Frame 0290.

COMMON OWNERSHIP OF U.S. PATENT NO. 6,963,830

Pursuant to Rule 3.73(b), Fujitsu Limited is the current owner of the subject application pursuant to the Assignment identified above and confirms further that it remains the owner of U.S. Patent No. 6,963,830.

TERMINAL DISCLAIMER

The owner, Fujitsu Limited, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,963,830 as the term is defined in 35 U.S.C. 154 and 173, and as the term is presently shortened by any terminal disclaimer.

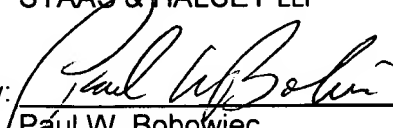

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

* *

A fee of \$140.00 was previously assessed on February 1, 2010. As set forth in MPEP 1490, a "second terminal disclaimer fee should not be assessed/charged." If there are any additional fees associated with filing this Terminal Disclaimer, please charge them to our Deposit Account No. 19-3935.

Respectfully submitted,
STAAS & HALSEY LLP
